LONDOU | BROS

THE COMPANY

The company is leader in the distribution of apparel, footwear, and accessories brands, from the high end prêt a porter to younger lines and Jeanswear. Through the diversification in its Brand portfolio, the company has formulated a response towards our today's demanding market.

The partnerships that have been developed in the past twenty years with the most important international designers have stimulated a growth path in terms of product distribution and market development.

COUNT ON US

The Corporate strategy arises from market segmentation: each brand has its own distinct identity and is targeted to specific market segments; the DNA of each individual brand is respected while sales are maximized.

The customer can count on an efficient and functional service. In fact, Londou Bros is able to deliver the orders of its customers in one solution offering a complete consulting service: from marketing, visual merchandising and advertising material that facilitates the sell-out in each single sales point.

OUR VISION

To offer to our customers an efficient and functional service while achieving market leadership and operating excellence in every segment of our company

OUR MISSION

Our mission is to build unrivalled partnerships and value for our customers, through the knowledge and dedication of our people. To distribute to the market a diversified portfolio of brands that anticipates and satisfies our customer's desires and needs.

OUR VALUES

We value integrity and reliability. We encourage flexibility and responsiveness to our people. We nurture an exceptional association between our customers and suppliers and together we create mutual enduring value which leads to success.
